

# SUPPLEMENT TO THE PRIVACY POLICY OF BNP PARIBAS FACTOR GMBH

## 1. DATA PROCESSING IN CONNECTION WITH SPEEDATA

Speedata is a closed portal which BNP Paribas Factor GmbH customers can use to exchange data electronically. Various personal data belonging to you are processed when Speedata is provided and used. These data are taken from the customer contract. In addition, customers can also send us files and messages via Speedata.

## 2. DATA PROCESSING IN CONNECTION WITH VONQ

The website uses VONQ Recruitment Analysis, a web analysis service of VONQ GmbH, Düsseldorf. The processing takes place exclusively on servers within the EC.

Pseudonymous usage profiles for web analysis

When accessing our website, your browser transmits your IP address, the referring website or e-mail as well as the date and time of the visit.

These data is pseudonymized and processed for the purposes of advertising, market research and design optimization of our website. The data does not allow any conclusion to the natural person.

With the processing, we pursue our legitimate interest to analyze and improve our website and navigation.

## 3. COOKIES

Whenever you use the website, BNP Paribas Factor GmbH stores cookies: these enable you to make full and convenient use of our websites and all their functions. Cookies are small files which are stored on your computer by your Internet browser. If you do not wish such cookies to be used, you can change the settings in your Internet browser to prevent cookies being stored on your computer. Please note, however, that you may not then be able to make full use of all our services and functions. We use the following cookie:

Sitefinity session cookie to define the language used.

## 4. SERVICES TO IMPROVE THE WEBSITE

Adobe Analytics

BNP Paribas Factor GmbH uses Adobe Analytics, a web analysis service from Adobe Systems Software Ireland Limited ("Adobe"). Adobe Analytics uses "cookies"; these are text files which are stored on your computer to analyse the way you use the website. If the information produced by the cookie about the use of the website is sent to an Adobe server, the settings ensure that the IP address is anonymized prior to geolocation and before it is stored by replacing it

with a generic IP address. Adobe uses this information on behalf of the website operator to evaluate the way you use the website, to collate reports on website activities and to provide the website operator other services related to website and Internet use. The IP address sent by your browser as part of Adobe Analytics is not combined with other data held by Adobe. You can change your browser settings to prevent cookies from being stored. However, if you do change the settings in this way, you may not be able to make full use of all the functions of this website. You can also prevent the data (including your IP address) relating to your use of the website which is captured by the cookie being sent to or processed by Adobe by downloading and installing the browser plug-in from the following link:  
<http://www.adobe.com/de/privacy/opt-out.html>.
